Farmington, CT | June 2–5

Sheraton Meadowlands Conf. Cntr.
E. Rutherford, NJ | July 14–17

Check our website for other locations and dates.

Six solid reasons iMedicine Review is *the* course to take.

1 Up-to-date training

iMedicine Review is the most cutting edge of the board reviews. We offer state-of-the-art preparation for the computerized ABIM exam.

2 Excellent success rate

To the best of our knowledge, 100% of course participants have passed their exams. If you apply yourself, there is no reason you shouldn't pass yours, too.

3 Q&A for iPhone & Android

More than 1,200 internal medicine board review questions and answers are available in our Q&A1000™ apps for iPhone, iPad, iPod Touch and Android. Practice anytime, anywhere, for the low price of just \$39.99 (introductory price).

4 FREE online Q&A

Q&A1000™ offers more than 1,200 high-yield questions with explanations and clinical pearls, free with your paid registration.

5 Lower tuition

Our fee is just \$595. For the courses in Manhattan & New Jersey, if two or more residents from the same program register together, tuition is \$395 per person (applications should be mailed together in one envelope). For the courses in Connecticut and Pennsylvania, the group rate is \$495 per person. A chief resident or a resident representative may attend any course for \$195.*

A letter from your program director is required stating your role as chief resident or resident representative.

6 Guaranteed satisfaction

If you fail the ABIM exam and show us the official notification, you can take our course again at no charge.

What will this course do for you?

- **Improve** your test-taking skills.
- **Enable** you to meet the specific challenges of the computer-based ABIM exams.
- **Familiarize** you with clinical terms used in internal medicine, with particular focus on buzzwords commonly used in questions.
- **Supply** advance preparation with iMedicine Review Q&A1000™, more than 1,200 questions free online with course registration, or on iPhone/Android (purchase required).
- **Prepare** you by reviewing an extensive library of updated questions including all specialties of internal medicine.
- **Help** you answer questions with confidence by reviewing the multiple choice format of the exams. A variety of questions based on radiology, EKGs, PFTs, ABGs, ophthalmology, and dermatology will be covered, along with graphics and pictures you might encounter.

on and recertification through ABIM exams.

Who should take the course?

Medical residents preparing to take the ABIM certification exam for the first time.

Internists and physicians preparing for the ABIM recertification exam.

How to register:

Register online by going to our site, www.imedicinereview.com and clicking on the 'Register' link. Or mail the registration form at right with your payment.

Discounted hotel rates are available.

Just click on the 'Locations/Dates' link on our website to view discounted rates.

Concerned that you may need to cancel? We offer a refund.

If you cancel up to ten days prior to Day 1, we will refund the balance of your tuition fee after deducting a \$95 processing fee. There is no refund for cancellations within ten days of the course. A written notice is required by email for cancellations.

Our course is guaranteed.

If you fail your exam you can attend the course again for free. To take advantage of our guarantee, simply send us written verification from ABIM of your test result.

You can register online at www.iMedicineReview.com
