NEW!

Over 350 pages of Exam Prep and Self-Assessment

The field of Internal medicine never stands still, so every section of this book's content—taught for many years in iMedicine Live Board Review Courses—has been updated and improved to reflect the most cutting-edge knowledge.

This Comprehensive Board Review Course Book offers:

- Hundreds of MCQs based on clinical vignettes with focused explanations
- Key clinical concepts presented as 'fill-in the blank' format for your active participation

- Tables and bulleted lists to improve your understanding of difficult subjects
- Exercises at end of the subtopics to summarize the essential clinical points
- Clinical pearls and buzz words to answer exam questions with confidence

Can't make a course? You can still learn from this Comprehensive Book and do Self Assessment.

With one comprehensive volume, get up to speed on the latest in internal medicine, check yourself with quizzes, and learn with bonus info taken from years of live courses.

Where to Order the Book:

Get the Book from our Website: imedecinereview.com
or from Dorrance Publishing: bookstore.dorrancepublishing.com
It may take 4 weeks to receive your book from the Publisher.
